

PPE

THE SMART WAY TO STREAMLINE PPE MANAGEMENT.

MAIN DESCRIPTION:

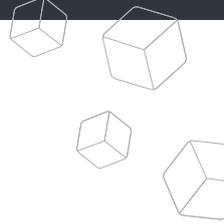

Monitoring and managing the issuance of Personal Protective Equipment is tedious, time consuming and often inefficient. The Effective PPE module gives you the tools to simply track issuance, monitor PPE lifecycles and reduce waste and costs.

Add, monitor and update PPE using our intuitive traffic light system coupled with a powerful notification platform ensures you are informed when equipment needs to be replaced or re-issued.

KEY FEATURES:

- > Simple traffic light compliance matrix.
- > Keep track of your PPE compliance and out of life-cycle issuances.
- > Proactive integrated approach to PPE compliance.
- > Automatic notifications to employees on PPE expiry.
- > Weekly and monthly subscriptions to reports.
- > Ability to attach certificates and sign off sheets when issuing PPE.
- > Control PPE costs, expectations and eliminate waste.

BENEFITS:

PPE

REPORTING

Detailed reports allow you to drill down into the cost of your PPE usage and PPE compliance by sites & departments or out of lifecycle issuance. Effective allows you to move away from reactive reporting with instant data and statistics providing the tools to proactively save money and promote a zero harm safety culture.

FLEXIBILITY

Completely user configurable, our team will work with you to ensure the system is set up to best match your process and workflow, while ensuring you have the ability as administrators to edit and update any of the configurable settings.

VISIBILITY

PPE is managed and distributed from one central location, reducing duplication and time. At a glance, users have the immediate analysis of compliant and non-compliant PPE utilising our smart traffic light matrix, allowing key users to plan and distribute PPE amongst employees.

COMPREHENSIVE MODULE OFFERING

PPE is just one of 19 product modules that are available. Whatever your industry sector, whatever your challenge, Effective's comprehensive range of product modules is sure to provide you with the tools to streamline your entire health and safety procedures.
